

YEAR 4

Instructions for ordering text books are on the following page. Please note when ordering text books any queries regarding orders should be made to Schoolbooks.ie and **not to Wesley College.**

Because of the unusual nature of Year 4, students are not required to purchase books for all courses taken. However, the following books will be required for Leaving Certificate also (unless the pupil ceases taking the subject, in which case the book may be resold) and should be purchased in the normal manner.

Please **print** pupil name clearly below.

PHOTOCOPYING CHARGES AND EDUCATIONAL EVENTS

One feature of Transition Year is the large number of educational events, i.e. fieldtrips, plays and educational visits that take place.

In the past these have been funded by cash collections from students. In order to streamline this, a single charge €185 per annum is made to cover the running costs of these compulsory events, which affect the entire year. Subjects that normally charge for materials used by pupils will continue to do so, e.g. Home Economics and Craft Design Technology.

In addition there may be individual charges for the specialised events that do not involve the whole year.

The above does not include the cost of the one week Outdoor Pursuits trip which will be charged separately on the fee account. Details of the trip will be sent out during the Christmas term (Nov). The cost will be in the region of €300.

If you elect to take Judo as an option this will involve a charge of €50.

If you elect to take Model Making as an option this will involve a charge of €30.

If you take ECDL as an option there will be an extra charge in the region of €140.
