AFTER SCHOOL ACTIVITIES 2009 – 2010

Wesley College

After School Activities 2009 - 2010

After School Activities are an important part of life in Wesley College. They provide pupils with a range of opportunities which complement the academic curriculum, allowing students to take advantage of all of the facilities available at Wesley.

Students are strongly encouraged to participate in these activities and this booklet is provided so that parents and pupils are aware of all that is on offer.

Please note that a co-ordinator of an activity may change a meeting time or location should this necessary. Pupils should listen for Announcements and Updates in morning Assemblies.

Sport normally ends at 5.30pm, but may be extended to capitalise on daylight hours at the beginning of the year or ended early in poor weather conditions.
